

The Hampton Inn Plover/Stevens Point is excited to welcome the participants of this year's Walk Wisconsin event. We will offer those participants in need of rooms a rate of \$79.00. And we will be extending this rate until May 30, 2012.

Breakfast will be available at 6:00am so participants can start their day in a healthy way. And healthy snack bags will be provided at the time of check in for all participants planning on walking. These snack bags will include a granola bar, a piece of fruit, a bottle of water and a muffin.

We would once again be proud to house Walk Wisconsin participants at the Hampton Inn Plover.
